TO THE CITIZENS OF PLAIN TOWNSHIP,

We are pleased to present Plain Township’s (the “Township”) first Popular Annual Financial Report (PAFR) for the year ended December 31, 2014. This report makes our Township’s finances easier to understand and communicates our financial situation in an open and accountable manner.

The PAFR is prepared on the cash-basis of accounting. Annually, the Township prepares cash-basis financial statements, which are audited by the Auditor of State of Ohio or its designee. A copy of our annual financial reports can be found on our website by clicking on the “Fiscal Office” link at www.plaintownship.org or on the Auditor of State of Ohio’s website at www.ohioauditor.gov.

The PAFR focuses on the Township’s General Fund and Fire District Fund. The General Fund is the chief operating fund of the Township and is used to account for all financial resources except those required to be accounted for in another fund. The Fire District Fund accounts for proceeds of tax levy funds that are legally restricted to disbursements to provide for fire protection services.

We would like to thank Julian & Grube, Inc. for their assistance in preparing the PAFR.

Questions, comments or feedback regarding this report are encouraged. Contact the Fiscal Office at 45 Second Street, P.O. Box 273, New Albany, Ohio 43054-0273.

Respectfully submitted,

Bud Zappitelli
Fiscal Officer

UNINCORPORATED

INCORPORATED

PLAIN TOWNSHIP 2014 POPULAR ANNUAL FINANCIAL REPORT
EXPLANATION OF FRANKLIN COUNTY PROPERTY TAX RATES

Tax as a percentage used to estimate total property tax for a property. Multiply the market value of the property by the percentage estimated for the taxing district.

EXAMPLE:
Taxes for a $100,000 Home in Plain Township:
$100,000 x 3.316% = $3,316 annual property tax bill

EXAMPLE OF PROPERTY TAX DISTRIBUTION:
Using $100,000 Home Value:
Total Property Tax = $3,316
